

# 2013 Playground Volunteer Build Day Waiver

## KaBOOM! PLAYGROUND PROJECT -- VOLUNTEER WAIVER AND RELEASE

This form must be signed by or on behalf of each volunteer who will participate in or otherwise be involved with the construction of the PNC Foundation/Goodwill Easter Seals of the Gulf Coast Playground Build (the "Playground Build" or the "Project"), or will be on the construction of the Playground Build, occurring the week of Saturday, January 12, 2013 in Mobile, AL. If you are unable to read this print, please speak with the person handling volunteer registration for assistance.

The KaBOOM! project and activities will include the playground construction, side projects and play enhancement projects on and in the periphery of the playground construction site including building interiors. The "playground construction site" is the physical space where the playground is being installed; the playground construction projects are any activities directly related to the installation and placement of the playground equipment, the mixing of concrete and moving safety surfacing onto the playground site. Volunteers under age 18 (or under 19 if in AL or NE) may not work on the "playground construction site", as defined above. Volunteers under 18 but who meet this state's minimum age for employment may work on the side projects, beautification and play enhancement projects, and other non-playground construction site projects and may help with preparation for the build day if they have received written approval from a parent or legal guardian for participation. Any children under state's minimum age for employment will not be supervised by KaBOOM! in any way or be allowed to participate in playground or non-playground construction projects managed by KaBOOM!; however KaBOOM! will work with the community partner to procure supplies for use by these children and to help them plan projects that are occurring on a site that is distinctly separated from the construction site. No children under this state's legal working age should be on the playground construction site.

I understand that I will be spending the day(s) as a volunteer for the Project and will be participating at my own risk. I acknowledge that my participation is voluntary and does not constitute a condition or requirement of employment. I further acknowledge that the Project will occur at a construction site and that the construction site will be a potentially dangerous place. I attest that I am physically fit and prepared for this event.

I will not create an unsafe situation for other individuals or myself nor will I use any tool or engage in any task with which I am not completely comfortable. I will abide by all applicable federal, state and local laws, as well as the rules and directions of the sponsors and coordinators. If I see any situation that I feel is unsafe, I will immediately call it to the attention of KaBOOM! or a safety coordinator. If I bring any children or young adults with me to participate in the Project, I will be solely responsible for providing for their safety and will keep them under close supervision at all times. FOR EACH PARTICIPANT UNDER 18, THE PARENT OR GUARDIAN MUST FILL OUT A SEPARATE WAIVER. I understand that a volunteer may be at the Project to provide medical treatment in the event of an injury, and if necessary to assist in arranging transportation to medical facilities.

On behalf of myself, as well as my heirs, executors, administrators and assigns, I hereby forever release, discharge, waive and agree to indemnify and hold harmless KaBOOM!, Goodwill Easter Seals of the Gulf Coast, PNC Foundation, Playworld Systems Inc., and any additional sponsors of the Project, along with their respective officers, directors, agents, employees, contractors, successors and assigns, and any volunteers to whom I give my consent to provide medical treatment to me or to any children or young adults under my supervision ("Released Parties"), from and against any and all claims, demands, actions, causes of action, obligations, liabilities, suits, losses,

damages, costs, expenses, and fees, including, without limitation, court costs and attorneys' fees, of any and every nature of character, including, without limitation, for death, personal injury and/or loss of property, whether anticipated or unanticipated, directly or indirectly, whether caused, in whole or in part, by the sole or concurrent negligence or wrongdoings, strict liability or fault of the Released Parties or otherwise, arising out of or connected in any way with my participation in the Project.

If this project is in California, I acknowledge that I have read the foregoing paragraph and know and understand the full contents and effects of it. I understand the full nature, extent, and import of Section 1542 of the California Civil Code and of the entire release stated in the foregoing paragraph. Accordingly, I waive and relinquish, any and all rights or benefits that I may have under the provisions of Section 1542 of the California Civil Code, which reads as follows: "A general release does not extend to claims which the creditor does not know or suspect to exist in its favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

I hereby grant KaBOOM!, PNC Foundation, and Goodwill Easter Seals of the Gulf Coast full and complete permission to use project photographs, videography and interview footage and quotations from me in legitimate promotions of the Project and to further the mission and vision of KaBOOM! in any and all media now known or hereinafter developed without restriction or compensation.

I understand that I have given up substantial rights by signing this Waiver and have signed it freely and voluntarily without any inducement, assurance or guarantee being made to me and I INTEND MY SIGNATURE TO BE A COMPLETE AND UNCONDITIONAL RELEASE of all liability by Released Parties to the greatest extent allowed by law.
