

Homework Session 2017-18

Homework session has begun. It will be held Monday-Thursday in Room 12 from 3:00pm until 4:00pm. This session is provided for those children who need an hour after school to do their homework, study, read or work on a school project. Children who prefer an active playtime or who are only waiting for late pickup should go to our After School Care program which is held in the rear of the school.

Children attending Homework Session should be registered and **should have homework and should bring all books and materials they might need to complete their homework.**

* Children who finish their homework early should have a **library book or other appropriate reading material available.**

*Children who come to Homework Session without work or materials, or children who engage in behavior which makes it difficult for others to work **will be taken to After School Care.** This is located behind the main school building.

*Children who are not picked up by 4:05 pm **will be taken to After School Care.** This includes children who wait for later sport activities with no adult chaperone.

*Parents will be responsible for any fees associated with After School Care.

*Children who do not sign up for the program by October 1st and come later on a "drop in" basis will be assessed a \$5.00 fee per day.

Please complete the form below and return to the school office with the \$25.00 fee no later than October 1st.

Thank you.
