Dear Parents and Guardians,

Thank you, and your children, for your participation in the canned food drive and the new toy drive we are having for 10 Caring Gifts. Learning to care for others is such an important lesson our children learn through activities such as these.

As you know, next Tuesday night, Dec. 18th, is our Parish Christmas Party 6:00 – 7:30 in the Family Life Center. The students will be presenting a Christmas program that includes music and the story of the first Christmas. There will be live music and delicious food. It should be a great night! (Thank you to the parents and students who turned in the participation form indicating they would be able to be with us that night. Please have your children in dress uniform and be in the youth room -which is across the street behind the Family Life Center – at 5:30.)

This Monday, at 9:00 AM, we will be putting on our Christmas program – sort of a dress rehearsal. We will be having all the students in PreK3 through 4th grade participating, as well as many of the 5th – 8th graders. (Some of the older students made the decision to not participate – so please check with your child before you come up to see the production on Monday only to discover they are not in it.) This would also be a good time for any grandparents or relatives who want to see the show, but do not like to get out at night.

The Christmas holidays begin at noon on Wednesday Dec. 19th. We will have Holy Mass on that day. The older students will go to the Spelling Bee and then class parties – starting at approximately 10:45. Dismissal is at 12:00.

Christmas Eve Mass will be at 5:00 on Monday, Dec. 24th. Our PreK – 2nd graders will have a short nativity play just before the start of Mass. Also, during the homily, Father calls the children up to sit in the sanctuary and talks to them about this special night. It's a great Christmas Mass to bring all your children to because they are actively involved in the liturgy. It is also a beautiful sight for the adults to enjoy.

I hope to see you between now and the holidays, but, in case I don't, I hope you have a very holy, happy and safe Christmas and New Year!

Merry Christmas!

Mrs. Alvarez
